

# Hydro Assist Fuel Cell Order Form

*I understand due to current demand delivery may take up to 4 weeks*

## **Assurance of satisfaction (US and Canada sales ONLY) on your HAFC system:**

If installed or tuned by a certified mechanic and you are not satisfied with the increase in your mileage and performance you may return your Hydro Assist Fuel Cell Kit in resalable condition for a full refund less shipping (\$995.95) within 2 weeks from date of tuning (Return Authorization Number Required). Manufacture warrants all parts to be free of defects for 90 days. Follow this link for the complete terms and conditions of our [Hydro Assist Fuel Cell savings warrantee](#).

## **Full credit toward purchase of your Pre-Ignition Catalytic Converter:**

When the Pre-Ignition Catalytic Converter is available for your particular make and model you may simply add the PICC to your existing HAFC system and receive a full credit (\$995.95) toward the cost of your PICC.

## **Please check one of the following:**

My application involves O2 sensors - Please process immediately.

My application is either AFR or Map Gas - Please hold until the X4 is available

**Enclose check or money order (US Banks only) payable to JeffOtto.com LTD & mail to 9393 N. 90th Street. #102 pmb 258, Scottsdale, Arizona 85258 (includes shipping to USA and Canada) for \$1,017.95 (single cell) or \$1,345.95 (2 cells recommended for 5.0 liter or larger engines)**
